Issues instructions regarding observance of rules relating to incurring of expenditure against Budget Grants.

OFFICIAL MEMORANDUM

ORDER NO. FL. (B) 14695-795—BUD. 56-53-1, DATED BANGALORE, THE 20TH JANUARY 1954.

Government view with concern the tendency on the part of Heads of Departments to operate on Budget Grants either without obtaining the necessary sanction of Government or, as is more often the case, in anticipation of sanction. It has to be understood clearly by all Government Officers that a mere provision in the Budget is no authority to incur expenditure and that incurring expenditure in anticipation of sanction is highly objectionable, since commitments are thereby created in advance and the sanctioning authority is left with no alternative but to accord *ex-post facto* approval to something already done.

Government would, therefore, impress upon all Heads of Departments the need for strict observance by them of the inviolable rule that no Budget grant should be utilised without obtaining competent sanction or in anticipation of the same and would add further that serious notice will be taken in future of such infringement of the conditions laid down in Article 14 of the Mysore Financial Code, Volume I, for incurring expenditure from public funds.
